

# Roadkill Survey

Roadkill is one of the leading causes of wildlife deaths in the USA, and results in 8 billion dollars worth of car repairs every year. With valuable data from citizen scientists like you, we can all help mitigate roadkill together!

## Contribute to roadkill research, be part of the solution!

1. Download the inaturalist app and make an account.
2. Go to: More > Projects > 'Search' icon > 'Westchester Roadkill Roundup' > Join!
3. Find roadkill, pull over if safe, take a photo using iNaturalist
4. Submit the observation, be sure to submit to the Roundup with:  
Projects > enable 'Westchester Roadkill Roundup'
